

2nd ANNUAL ARMADA MEATS AND MOTORS COOK-OFF

SPONSORSHIP OPPORTUNITIES

June 1st-2nd, 2012

WELCOME 2012 SPONSORS!

The Armada Agricultural Society (A.A.S.) would like to say "Thanks" to all of our past and present sponsors. The A.A.S. continuously makes improvements to the fairgrounds. All upgrades are made in order to continue being "A True Country Fair" and were possible because of the ongoing support of our sponsors. Recognizing barbeque as America's Cuisine, the mission of the Kansas City Barbeque Society is to celebrate, teach, preserve and promote barbeque as a culinary technique, sport and art form. Our first year was a huge success with having 13 teams from multiple states, and having over 300 people choice participants, our goal is to round up at least 40 teams, and have over 4 times as many taste testers along with having many more spectators.
