

September 13, 2009

Hi. My name is Gerry Spriet. I live in Macomb Twp. with my wife Pat and daughter Kim. Our other daughter, Andrea is married to Ryan Neddermeyer and they have blessed us with two wonderful grandsons, Reese and Bryce. Because of his interest in tractors and farming I would be willing to bet that Reese in the future will be involved with the fair. I am running for a second term on the fair board. I think that I successfully finished my first term. I have been active in all arena events, horse pull, golf carts, carnival and parking lot. Most recently in the last year of my first term I was superintendent of the refreshment tent, carnival and golf carts. I was part of the committee responsible for getting the Budweiser Clydesdales to come to come to the 2008 fair, with hopes of having them return in 2011. I have attended the fair for close to 50 years now and actively involved for 10. Each year is seems to get better. I think that I have been an asset to the fair board and hope that you re-elect me to serve again.

Thank you very much,

Gerald H. Spriet
