**OBJECTIVE:** To provide knowledge and experience for a forward moving progression of the fair into the future. At the same time, maintaining a fiscal responsibility, not forgetting the fair's history and responsibility to its Mission Statement and to the community. Committing and acknowledging that it takes all aspects of the Fair to make it a success. From crafts, animals, events, antique tractors and machinery, trucks and pull tractors, 4-H livestock sales, carnival rides, horse pulls, acknowledging Queens and Court, to Citizen of the year, not excluding any events or shows, and our commitment to the patrons who attend, to attend the Best Little Home Town Fair in Michigan.

**QUALIFICATIONS**

I have been an active board member for approximately 18 years, working the arena events since 1987. I am currently President and take a leading role on the maintenance committee, carnival committee and arena events. I have put together the first emergency management plan 15 years ago, with Fire Dept., Police Dept., and County Emergency Management Director. I am constantly in the process of updating our Emergency Management Plan with local and state authorities. I
