ARMADA FAIR 2009 – DEMO DERBY OFFICIAL RULES & REGULATIONS
EACH DRIVER & MECHANIC HAS AN OBLIGATION TO READ THESE RULES
THERE WILL BE NO EXCEPTIONS TO ANY OF THE FOLLOWING RULES!

In the interest of safety, drivers and mechanics are subject to and must obey the following rules and regulations prepared by the fair officials.

- A. Each driver must fill out an entry blank. All drivers must supply their own cars. **ONLY ONE ENTRY PER PERSON.** Proof of ownership is required on each car entered.
- B. All drivers and/or pit person 16 or 17 years of age must have notarized release signed by his/her parent or legal guardian. No one under the age of 16 can drive or be in the pit area.
- C. **The Demo Committee and/or officials hosting event, reserve the right to approve or reject any and all entries.**
- D. Only persons age 16 and older who sign the release sheet will be permitted in the pit area or on the track. Absolutely no one under the age of 16 allowed in pit area or arena.
- E. No drinking of alcoholic beverages on the track, in the pit area, or by the emergency vehicle areas. **Any driver or pit person under the influence of alcohol or drugs will be disqualified and removed from fairgrounds.**
- F. Any driver or crew member disobeying the rules will cause his/her car to be disqualified. **Drivers are responsible for the actions of their crew members.**
- G. The Fair Association, promoter, track owner, or officials will not be held responsible for any cars, parts, or personal property before, during or after the show or over night.
- H. Towing and transporting cars to an from the race locations must meet highway safety codes, including proper light controls, safety chains, tow bars, towing trailers etc.

TYPE OF CAR AND PREPARATION

1980 or newer cars and station wagons (NO Suburbans, Vans, Jeeps, Convertibles. 1978 Or newer GM)
ALL VEHICLES MUST BE REAR WHEEL DRIVE (Spider gears may be welded.)

1. No front wheel drive vehicles are allowed. Different engines and transmissions may be exchanged (Ford into a Dodge Etc. etc.,) **MUST** have stock OEM suspension and axles for that model car.
2. **Remove the following** before arriving to the fairgrounds or track. All Air Bags, Glass including Windshield, all side windows, rear window, head and tail lights. **ROLLING WINDOWS DOWN IS NOT PERMITTED.**
3. Chrome molding strips and the bottom portion of rear seats must be removed. Carpet and interior fabric to be removed. Any sharp protruding fins or dangerous objects must be mashed down or cut off.
4. All body mounts must be stock. **DO NOT** remove rubber body mounts or bolts. **NO painting of undercoating the frame of any kind.**
5. **BUMPERS:** Must be automotive type only. Welding of shock tubes is allowed. Bumpers must remain in original location. Bumper ends may be cut but **cannot be left sharp.**
FRONT: You may weld a ¼” thick x 3” wide x 10” long plate from top of bumper to top of frame horn. **Two places only, top side only.** If plate is not used, bumper must be chained to frame.
REAR: You may weld ¼” x 3” wide x 10” long plate from top of bumper to car body under trunk lid. **Two places only, top side only. Do not weld to trunk lid.** If plate is not used, bumper must be chained to frame.
6. **NO WELDING of any kind to any vehicle once it has been inspected.**
7. Welded solid or chained down engine mounts are recommended. Engine exhaust if coming out of the hood must be exhausted straight up.
8. Radiators must remain in original position or be taken off. Comparable replacement radiators are permitted. Over flow tubes **MUST** drain towards the ground and be secured in place. No antifreeze allowed in the radiator.
WATER ONLY. Transmission coolers are permitted, but only if they are secured inside the engine compartment.
9. **DRIVERS COMPARTMENT:** You may place one bar across dash, a driver and passenger side door bar and one bar behind the driver’s seat. The bar behind driver’s seat **cannot** extend more than 8” beyond front door seam. You may weld or bolt this into place. There will be **no kickers** extending **anywhere from these bars.** You may place a ¼” thick plate 6” x 6” where dash bar and bar behind seat meets car body. If you do not place a driver’s door bar inside of car, **you must** weld a plate on the outside of driver’s door. This plate will be at least ¼” thick, 6” tall and no longer than 8” beyond door seams.
ROLL PROTECTION BAR: You may place a bar from driver’s door bar up and across roof and down to passenger side bar. The cross over bar may be above or below roof of car and must be attached to roof. The upright bars may extend down to **floor sheet metal only.** You may use a ¼” plate no longer that 6” x 6” to attach to floor sheet metal. **Do not attach to frame anywhere.**
 - * **Absolutely no other bars or kickers allowed.**
 - * No bars to exceed 3” diameter OR a 3”x 3” tube.
 - * A vehicle will be disqualified if driver’s door opens at any time.
10. All doors must be fastened shut by wire **OR** chains **OR** all doors can be welded on the **OUTSIDE ONLY. NO OTHER WELDING** on the car body or frame except bumper plates explained above.
11. Only automotive battery is allowed. Battery must be removed from the original position and placed on the floorboard of the driver’s compartment and securely fastened and covered.

12. Cutting fenders for wheel clearance only is permissible.
13. **HOOD:**
Hood must be wired in **four (4) places only**, each using #9 wire, 2 strands of wire per hole. You may only attach from sheet metal to sheet metal. It is mandatory that an opening be cut in the hood, over the carburetor approximately 16" or larger in diameter. Hood must be bolted to hood hinges. At least one metal bar or chain from the roof down to cowl is required. **ABSOLUTELY NO** cutting to frame area near firewall to create a negative bend. **ABSOLUTELY NO** adding metal or reinforcements to core support/radiator area.
14. **TRUNKS AND TAILGATES:**
Quarter panels may be cut. Quarter panels **MUST REMAIN IN ORIGINAL SHAPE. DO NOT** pre-bend. You may cut out drip edge from quarter panel to allow lid to be pushed down into trunk area. If you push down trunk lid, **IT CANNOT BE PUSHED DOWN MORE THAN 4" BELOW TOP OF QUARTER PANEL.** We will place a 2" x 4" from quarter panel to quarter panel and measure down, any trunk lid pushed too far will be pulled up with an on-site backhoe. Trunk lid must remain bolted to hinges. You may push down speaker deck for better visibility. **NO MORE THAN 4"**. Trunk lid must be wired in **4 places only** each using #9 wire, 2 strands per hole. You may only attach from sheet metal to sheet metal. No welds. Frame may be cut/notched to achieve a controlled bend. **DO NOT PRE-BEND FRAME.**
15. Stock gas tank must be removed from its original position and replaced with an approved gas tank, such as a boat motor tank, or snowmobile tank. Fuel tank will be placed ahead of the rear axle not further forward than the rear of the driver's seat. Steel tanks must be bolted or secured to the car. Plastic tanks must be secured in a steel coffin, bolted or secured to the car. All gas tanks must be covered.
16. **GASOLINE ONLY.** Absolutely no alcohol fuel. Electric fuel pumps must have a tether shut-off switch near the drivers window on the dash.
17. Any added, replacing or covering of rusted sheet metal must be done with the same gauge of sheet metal thickness.
18. **NO SKID PLATES OF ANY KIND.**
19. Auto must be swept clean. No junk tires, wheels, metal parts, broken glass, etc. allowed in the car.
20. Each driver and mechanic must **sign in** at the registration desk the day of the show and have their car inspected at least two (2) hours prior to the snow start time.
21. Driver's door and center of roof must be painted white for safety and numbering. Special numbers are permitted. **NO** profanity allowed on any portion of the car.
22. No double tires or liquids in tires permitted. No studs or screws in rims to hold tires.
23. a strong wire or nylon mesh screen is recommended in driver's window and windshield area. Plexiglass is permitted in driver's windshield.
24. Firewalls on cars may be cut but all openings must be adequately covered. Gasoline and battery cables may be routed through firewall. Floor boards must be adequate.
25. Suspension must be stock, (OEM for make and model of car) no air shocks and/or blocks.
26. Safety belt, Z-90 approved helmet, full face recommended, goggles or face shield required. Leather shoe or work boot required. No sandals or tennis shoes. Must have full pants, long sleeve shirt or long sleeve coveralls. (Fire suit and shoes recommended.)
27. No head-on collisions and no hitting drivers door. No teamwork allowed. No fighting, drugs or alcohol allowed. Any fighting or drinking will disqualify you from the event.
28. Vehicles must have dependable brakes at all time and boundaries must be observed always.
29. Although it is the official's discretion, a limit of no more than 30 seconds will be strictly enforced by track officials for re-starts and making contact with another car. Hits must be aggressive. Simple contact within the time limit does not constitute combat and could be considered sandbagging. **NO** teamwork allowed.
30. All cars will be off the facility hosting the competition by 12:00 noon the following day. **NO EXCEPTIONS.**
31. Automatic disqualification if car starts on fire during competition. Judges decisions are final on this rule. A fire extinguisher at close reach of the driver is recommended. (Additional safety regulations may be imposed, depending on the track)
32. Safety is **IMPORTANT.** Officials have the ability to disqualify a car for any safety concern. Decisions of the officials are final.
33. No protest of any kind about a car will be allowed once the drivers meeting has taken place. Failure to speak up at the drivers meeting will forfeit any protest once the competition has begun.

Boundaries must be observed at all times. Any car shoved or driven out of bounds may be immediately disqualified if officials feel it is a safety hazard. The derby will be composed of individual heats with cash prize going to the winner of the feature. DECISIONS OF THE OFFICIALS IS FINAL.

*****NOTE*****

Any damage to event grounds, such as burn outs on the grass areas, leaving trash and car parts no longer being used, etc., etc. will result in disqualification of any future event. These rules supersede any and all rules previously used. Rules subject to change without notice according to the event requirements and regulations pertaining to this event.
